

### Aunties role description

In client home duties include

- Vacuuming
- Doing dishes
- Prepping/making a meal for consumption that day or for freezing
- Hanging out or bringing in and folding or ironing washing
- Making beds
- Hold/settle baby while mum has a nap/shower
- Playing with older children in the home
- Light cleaning

In client home duties does not include

- Cleaning bathroom
- Mowing lawns
- Watching baby while parents/guardians are out of the home
- Duties outside the home eg shopping
- Taking the baby for a walk

While the Auntie is in the home with the family they may suggest a referral onto a local supporting organisation if the client is agreeable.

The Auntie will complete the referral to other service form.

This is given to the coordinator and the referral process is to be completed by them.

The expectation is that our Aunties will have consistent weekly availability where they are themselves will be childfree in order to be able to provide undivided attention.
